

Experience, explore and enjoy four seasons of adventure in the Finger Lakes.

Eleven crystal clear lakes along with the Erie Canal and Lake Ontario are resources for diverse water activities, and a backdrop for fantasic views and vistas.

The Finger Lakes can be active or relaxing, you choose your own great vacation.

Our Original Hiking and Biking Kit includes 46 hiking and biking maps and directions....there are also suggested places to eat, where to stay, and what to do here in the Finger Lakes!
