SCENIC NOTES

The valley of the Charles River upstream from Newton provides scenic cycling. The river flows past broad meadows, graceful communities & estates with horses grazing in pastures. Starting in Westwood, you will travel into rural Dover paralleling the Charles River into Needham. Note the gracious landscapes along the north bank.

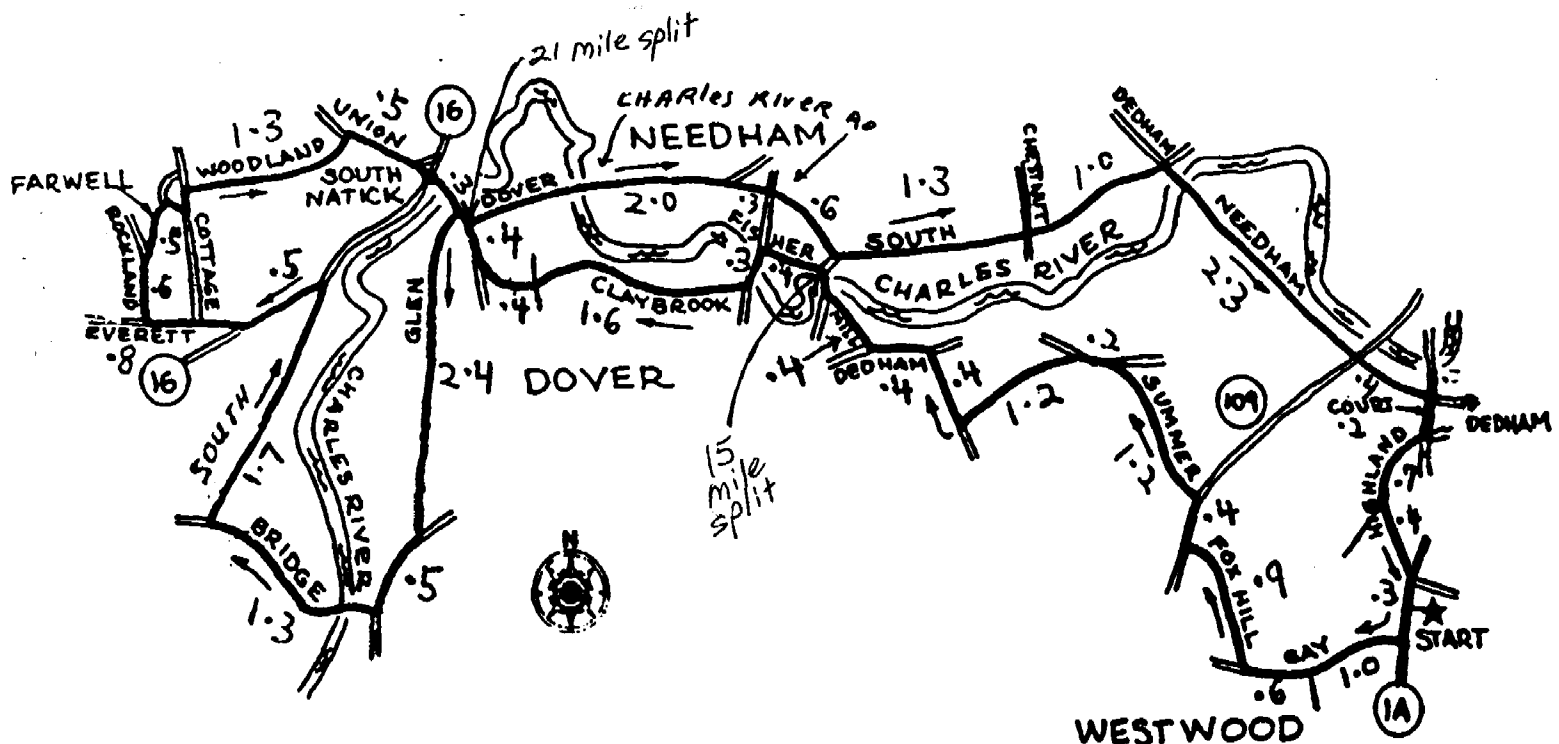

Head into Dedham with the colonial style homes and two white churches. Note the Courthouse made from NH granite, the stone public library & the Gothic Stone Church, all circa 1870's. From here it's a short ride back to the start.
