Scenic Notes

The short ride stays entirely with Scituate/Foster area.

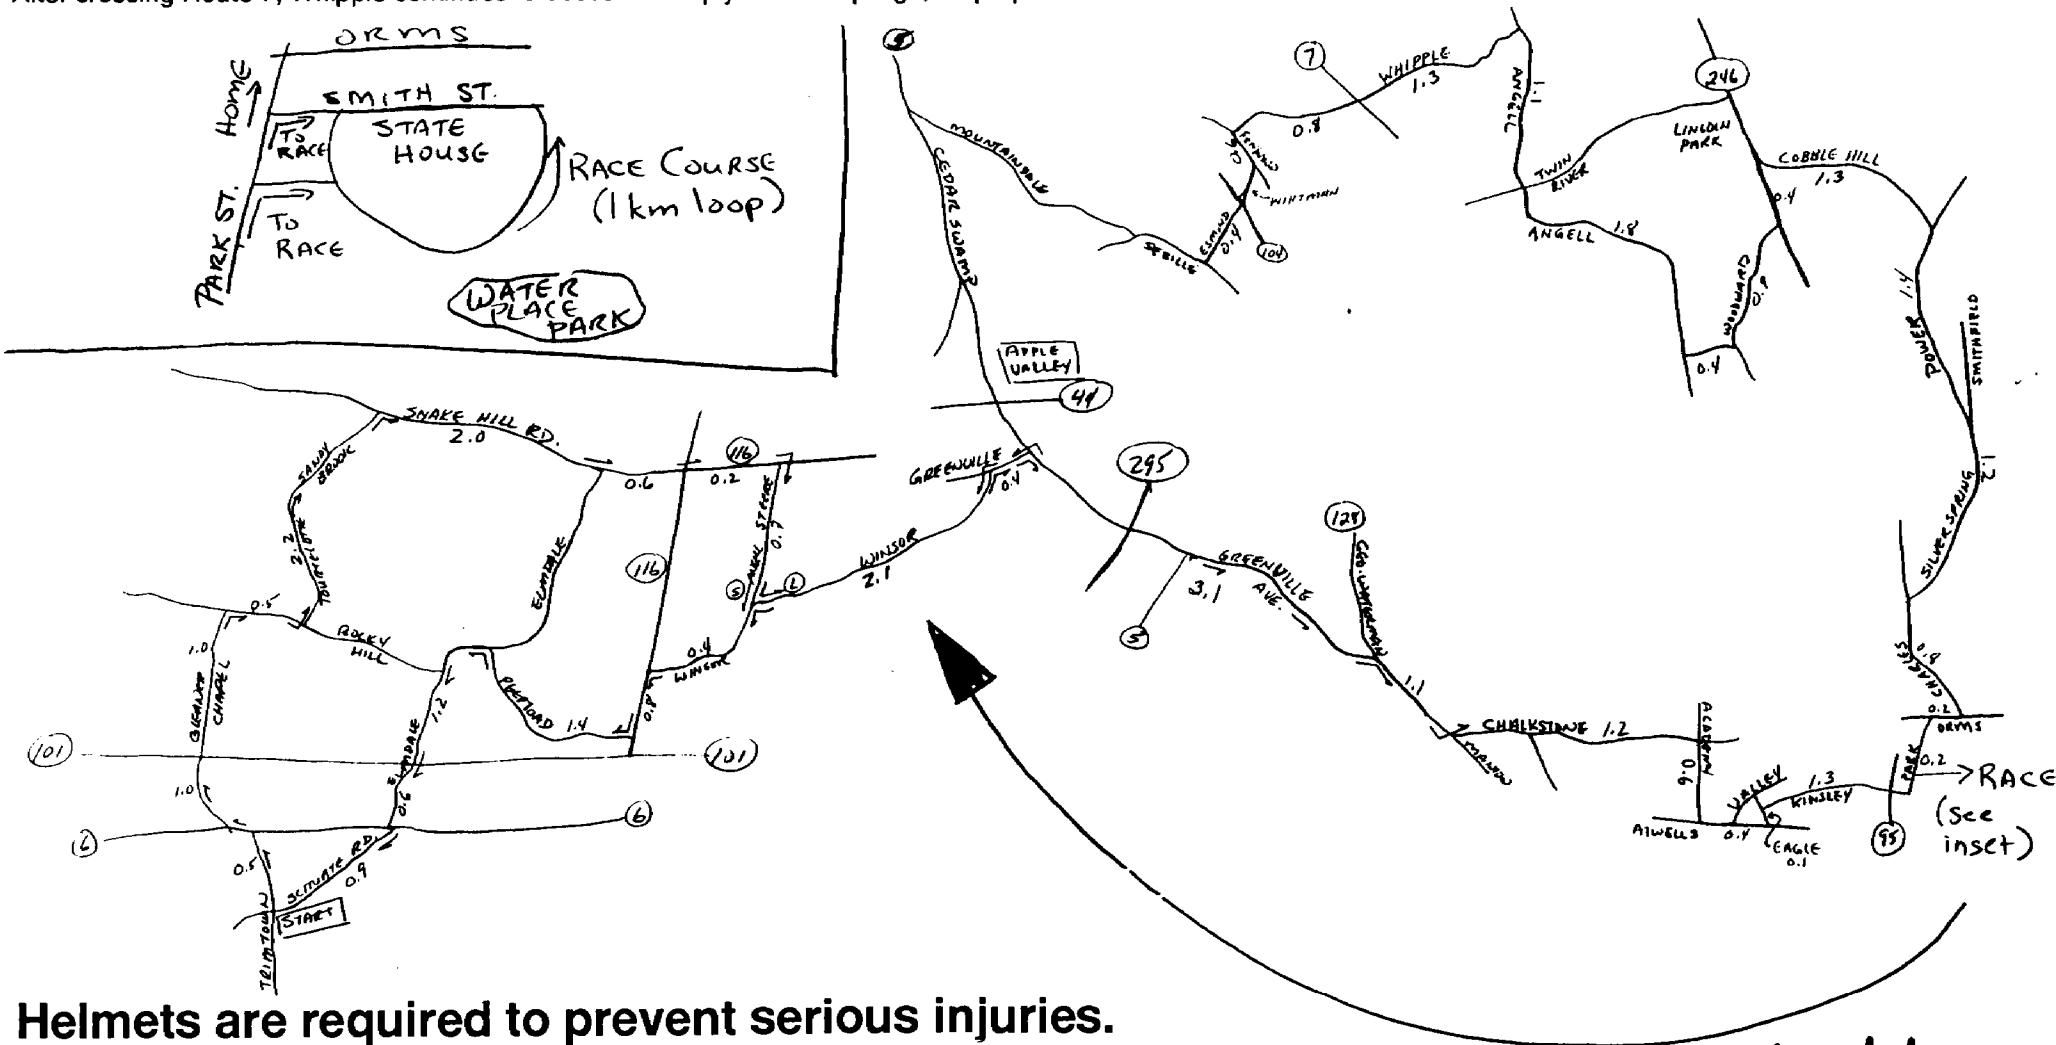

The long ride travels to the Rhode Island statehouse via Chalkstone Avenue.

Once at the statehouse, riders can watch the O'doul's Criterium race or visit Waterplace park.

The ride returns through rural Lincoln and Smithfield, with screaming descents down Whipple Road and Mountindale Road. Surprisingly, the climbs to reach these descents are not exceptionally strenuous.

Caution: The descent down Whipple Road contains a sharp S-curve; **USE CAUTION.**

After crossing Route 7, Whipple continues to descend steeply into a stop sign; be prepared to **BRAKE HARD.**

Helmets are required to prevent serious injuries.
